The Transportation Committee discussed the upcoming tour with the New York City Department of Transportation regarding the Southern Boulevard between East 182nd Street and Fordham Road Safety Improvement Project. The Transportation Committee agreed to schedule the tour for Monday, January 29, 2024 at 4:00 PM at their last committee meeting. This tour was scheduled as a result of the letter the Transportation Committee issued to the New York City Department of Transportation in June 2023 raising concerns about this project's traffic congestion and protected bike lanes, but have not received a response as of yet.
