To Whom It May Concern:

Bronx Community Board 6 would like to express our support for the Bronx Independent Cinema Center. We applaud the Bronx Independent Cinema Center's efforts to create opportunities for those interested in careers in film, their plans to open an independent theater in the Bronx, and their successful film screenings in the Bronx so far. We recognize the need to support Bronxites looking to start careers in film and see independent cinema in their home borough. Bronx Independent Cinema Center's seven-year plan outlines a bright future for film in the Borough, and we are looking to support the organization's efforts on each step of the way.

Regards,

Evonne Capers

Chair
