Transportation Committee Meeting Minutes

Lisa Sanchez, Transportation Committee Chairperson

Thursday, May 15, 2025

The Transportation Committee met on Thursday, May 15, 2025 in-person at the district office and on Zoom Video Communications. The following board members attended the Transportation Committee Meeting: Lisa Sanchez (Virtual), Katrina Rawlins (Virtual), Nicole N'diaye (Virtual), Nicole Carter (Virtual), Magdamary Marciano, and Renee Reed.

The Transportation Committee discussed the following:

- **Discussion on 5 Bridges project timeline**

The Environmental Assessment for the 5 Bridges project will be available in June. The Committee discussed requesting a 120-day comment period after the release of the environmental assessment, which would allow the Board time to submit remarks after returning from summer break. The District Manager will reach out to the Bronx River Alliance and City College for technical assistance.

- **Other Business (if any)**

- **Tremont Busway**

The District Manager is waiting for the NYC DOT to provide an update about the busway. The busway should have already been completed, however, conversion of the busway hasn't started.

- **SIRTA Map**

The District Manager will reach out to the NYC DOT to ask what plans they have for addressing traffic accidents at the most dangerous intersections on the SIRTA map. The committee supports daylighting of 10 feet, rather than 20 feet, at the intersections.

- **Committee Membership and Quorum**

The Chairperson is allowing Board Members to join committees who meet the same night to increase the likelihood of committees meeting quorum.
