Bronx Community Board 6 thanks the Parks Department for presenting the design plans for the Garden of Youth at our June Parks committee meeting. The Board has reviewed the design plans and is in support of the design as shown. A motion in support of the design was passed unanimously at our June Board meeting.

The Board would like to encourage the Parks Department to facilitate the purchase of the adjacent lot to expand the Garden of Youth. The Board and City Council approved a land use action to purchase this lot a year ago and are hoping that purchase can come to fruition.

Regards,

Evonne Capers
Chair
