Economic Development Committee Meeting Minutes
Nicole Carter, Economic Development Committee Chairperson
Wednesday, November 12, 2025

The Economic Development Committee met on Wednesday, November 12, 2025 in-person at the district office and on Zoom Video Communications. The following board members attended the Economic Development Committee Meeting: Nicole Carter (Virtual), Margarita Espinosa, Carol Robinson, Sofia Delgado, Shantavia Inabinet, Maria Garcia, Angel Nunez-Garcia, Magdamary Marciano, Carmen Rivera, and Reggie Powell.

The Economic Development Committee discussed the following:

- **Discussion on DYCD Community Needs Assessment**

The Chairperson of the Economic Development Committee, Nicole Carter, made an announcement regarding the citywide Community Needs Assessment (CNA) survey and upcoming hearing being conducted by the NYC Department of Youth and Community Development (DYCD). The CNA survey aims to collect feedback from residents in the district to set program priorities and direct resources where they are needed most. The survey helps ensure that local services reflect real community needs and gives residents a chance to shape the future of their neighborhoods. The assessment is crucial for determining what programs and services will receive federal funds, including youth activities, after-school programs, and family services.

On November 18th, the Neighborhood Advisory Board (NAB) for Bronx Community Boards 5 and 6 will host a public hearing to gather input from residents on the programs and services the community needs. The public hearing will take place from 6:00 P.M. to 8:00 P.M., in hybrid format. Attendees can participate via Zoom or join in-person at the meeting location: BronxWorks Senior Center, located at 80 East 181st Street, Bronx, New York 10453. All are encouraged to participate in the public hearing, including youth.

Committee Members discussed the need for more community involvement in the CNA process, which only takes place every three years. Currently, the survey response rate for the district is very low. Committee members discussed plans to disseminate the flyers for the survey and hearing within their networks. The committee also noted that elected officials have not filled their NAB member appointments, which limits the advisory board's capacity for outreach and overall engagement to solicit CNA responses.
