To Whom It May Concern:

Bronx Community Board 6 would like to offer our support for Neighborhood Self Help for Older Persons Project. NSHOPP has operated in the Bronx for 45 years, now at 35 locations throughout the borough and has had a dramatic impact on improving the quality of life for older adults and their caregivers. Services include case management, food assistance, elder justice programs, and community outreach. Case management services include in-home assessments, meals on wheels, and volunteer friendly visiting. The Guess Senior Center, located in Community District 6, is operated by NSHOPP, and offers daily meals and activities. NSHOPP representatives presented to the Board and demonstrated a deep of knowledge of the programs offered and challenges faced by older adults. We thank NSHOPP for their work to serve Bronx residents and offer our support for their future program plans.

Regards,

Evonne Capers
