**Disciplinary Committee Minutes**  
Lamont Parker, Committee Chairperson  
Tuesday, January 6, 2026

The Disciplinary Committee met on Tuesday January 6, 2026, at 11AM in person at 762 East Tremont Avenue. The following board members attended: Lamont Parker, Laura James, and Frank Franz.

The committee discussed its in-person meeting format when not meeting in the Board office. Because it is impractical, the committee cannot run a zoom meeting when meeting offsite. The committee resolved to not offer a zoom attendance option when meeting offsite, and future meeting notices will include this information.

The committee entered into executive session unanimously following a motion from Lamont Parker and second from Frank Franz. The committee reviewed attendance records of Board members, and communication from Board members about their attendance. The committee wrote to two board members regarding their attendance and included those letters for Board member review this evening. The committee has decided not to make any motions for Board member removal at this meeting.

The committee reviewed quorum records for all committees, noting the challenges in making quorum in person. The committee reviewed advice from the NYS Committee on Open Government and standard for virtual attendance in Open Meeting Law. The committee asked that all committees meeting in January review all of those records, and that the District Manager summarize these issues in writing for the Board.
