Disciplinary Committee Minutes
Lamont Parker, Committee Chairperson
Tuesday, April 7, 1:30PM

The Disciplinary Committee met on Tuesday April 7, 1:30PM, at JJ Cuchifritos, 718 East Tremont Avenue

The committee entered into executive session unanimously following a motion from Frank Franz and Laura James. The committee reviewed a complaint about Board member conduct at the March Board meeting and did not find that the Board's Code of Conduct had been violated. The committee wrote in response to the complainant and subject of the complaint. The committee attempted to address the concerns raised by the complainant during the March Board meeting and provide the subject of the complaint with guidance on how to avoid future potential issues.

The committee reviewed attendance records of Board members at Board meetings and committee meetings. The committee decided to move forward with a removal motion of Fousani Hamidou due to his six consecutive absences at the Youth and Education committee. The committee resolved to write to two Board Members to begin probationary periods, one who has only attended two Board meetings this meeting cycle and one who has only attended two committee meetings so far this meeting cycle.

One of the members in question has since requested a leave of absence, so that letter is not being included at the April Board meeting, as the committee will not pursue a removal motion at the moment.
