

# REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For the Preliminary Budget Fiscal Year 2022

## Bronx 6

The City of New York  
Bill de Blasio, Mayor

## **FY 2022 Preliminary Budget Register of Community Board Budget Priorities**

**The Register of Community Board Budget Requests for the Preliminary Budget** reports the FY 2022 preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2022 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget, publishing them in the **Register of Community Board Requests for the Executive Budget** in April.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In June, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-5943 for more information about the community board process including consultations, and the geographic versions of budget documents.

## **FORMAT OF THE REGISTER**

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

### **LAYOUT OF BUDGET REQUESTS PAGES**

#### **Column 1: Priority Number**

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

#### **Column 2: Tracking Code**

The nine-digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted, and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

#### **Column 3: Project Information**

**Request:** A brief description of the project.

**Explanation:** Supporting information detailing the project, and its potential benefits.

**Responsible Agency:** The City agency which would implement the project.

**Budget Line Number:** The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

**PROJECT ID:** The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

**Source of Request:** Any group(s) which support the request.

#### **Column 4: Response**

The Preliminary Budget recommendation for each budget request.

11	106202211E	<p><b>Request:</b> Provide, expand, or enhance street outreach services</p> <p><b>Explanation:</b> As CD6 is largely low-income and lacks plentiful affordable housing, there are several housing-insecure and homeless youth--approximately 15% of children in School District 12 were homeless according to NYSED's 2018-19 enrollment data. More services must be provided to aid homeless youth and their families.</p> <p><b>Responsible Agency:</b> Department of Youth &amp; Community Development</p>	DYCD has increased funding in this service area.

We need fully funded and resourceful programs that focus on preventive services, and early care.</p> <p><b>Responsible Agency:</b> Department of Health and Mental Hygiene</p>	DOHMH funds a variety of services related to mental health, alcohol, drug abuse, and depression. 16	106202216E	<p><b>Request:</b> Invest in access to low cost financing to help neighborhood businesses construct or improve space</p> <p><b>Explanation:</b> Federal discriminatory practices, and barriers to understanding the bureaucracies of applying for a loan resulted in the Bronx receiving minimal help from the Payment Protection Program loan, and from the city. Out of \$29 million in grants for COVID-19, the Bronx received 3%.</p> <p><b>Responsible Agency:</b> Economic Development Corporation</p>	<p>Securing funding for this request is outside of EDC's jurisdiction; please contact the agency if you have any questions about the EDC budget process.</p>
