Senior Citizens Outreach Committee Minutes  
Mrs. Virginia Bird, Committee Chairperson

On November 3, 2016 I attended a meeting at the Bronx Museum of the Arts hosted by The New York Metropolitan Transportation Council (NYMTC) in regards to leading a Coordinated Public Transit-Human Services Transportation Plan Update. The objectives of the project are to:

- Identify strategies eligible for funding that will improve the mobility of persons with disabilities or older adults.
- Develop an implementation plan to serve as a living document for NYMTC and its members to use as a guide as Section 5310 funding opportunities become available.
- Ultimately achieve enhanced transportation accessibility; minimize duplication of services; and facilitate the most appropriate cost-effective transportation possible with available resources.

This was a very informative meeting.

You are all welcomed to join me and my committee members for our next committee meeting on Thursday, November 17, 2016 at 6:30 PM in our district office.
