Deputy Inspector McCormack stated that crime is up in the following three major issues:

- The robberies are between teenagers where they are either being robbed or they doing the robberies. Students going and coming from school are being robbed for their i-Phones.
- There's is a group fishing out mail from the USPS mailboxes. The Deputy Inspector advised us to be careful when we sending a check or money order by mail in order to avoid being a victim and advised us to drop off the mail at post office or to a mail carrier, deposit mail close to the scheduled pick up time, and write a check using a pen with pigmented ink, that cannot be erased.
- There's vehicle theft occurring. Safe guard your vehicles because vehicles are being stolen for parts, insurance fraud, retagging exporting, and joy riding. The following was suggested: lock and secure your vehicle, activate your alarm, never leave keys in the ignition, don't leave property, park in high traffic and/or park in well-lit areas. Enroll in NYPD anti-programs such as VIN Etching. Operation ID and combat auto theft.
