Presentation by the Bronx Zoo on proposed parking regulation changes on Southern Boulevard from East 182nd Street to East 185th Street

Ms. Rosemary De Luca representing the Bronx Zoo made a presentation on proposed parking regulation changes they would like to see on Southern Boulevard from East 182nd Street to 185th Street.

During this time as the weather becomes warmer and there are more visitors the parking, the lot is mostly filled to capacity and buses tend to park at these locations informally.

The Bronx Zoo is proposing these changes be in effect from April 1st through June 30th of every year. They believe that these changes will make drop off and pick up easier and safer for all children as a majority of schools are visiting during this time period.

At this time, the Committee understands that we are continuously losing free parking spaces for community residents, but the safety of the children is what is important as related to proposed requested change.

The Transportation Committee meets every third Thursday of the month at 6:30 PM in our district office.
