District Manager

**Transportation Committee Meeting**  
Thursday, June 21, 2018  
Maria Garcia, Committee Chairperson

The Transportation Committee met on Thursday, June 21, 2018 at the Bronx Community Board #6's district office located at 1932 Arthur Avenue, Room 403-A. At this meeting, the following members were present: Jannie Armstrong, Evonne Capers, and Rosa Peraza.

The New York City Department of Transportation presented on a new Bikeshare pilot project slated to begin in the summer where there will be dockless bikes. These require no stations and allow for parking on the sidewalk. They are GPS enabled bikes operated by smartphone. The two operators in our community are Jump Bike and Citi-bike's dockless version. There will be about 400 bikes in the Fordham area of the Bronx in community boards 6 and 7 for the pilot period. If people have concerns or complaints they can call 311, call the pilot operator, or send information to the board office.

Board member Rosa Peraza asked about bikes that can assist those with disabilities and DOT stated if the pilot period goes well they would work on releasing an RFP for those bike operators as well.

**The next Transportation Committee meeting will be on Thursday, September 20th at 6:30PM at the Bronx Community Board #6's district office at 1932 Arthur Avenue, Room 403-A.**
