Claudette Coles, Law Enforcement Committee Chairperson

Captain O'Hanlon stated that overall crime complaints in a 28 day period crime has decreased. In addition, he informed us of the fatal shooting that occurred on Belmont Avenue between East 176th Street and Tremont Avenue on Saturday, April 27, 2019. He also informed us that robbery and larceny complaints have increased tremendously in the East 180th Street and Southern Boulevard area. Because of this increase, he encouraged us to be aware of our surroundings at all times and to refrain from use mobile devices while walking. Furthermore, Captain O'Hanlon encouraged us to assure that air conditioning equipment is properly installed and secure when traveling. It is important that individuals have someone in their homes when traveling to prevent robberies.

The project will include two murals. The first mural will be of a Muslim woman holding a baby surrounded by police officers. The second mural will be a representation of anxiety in relation different forms of stressors. The mural are expected to be completed by the first week of June and they will be located on the corner of East Tremont Avenue and Third Avenue.
