- **Informational presentation on the upcoming Safe Heaven site at 2248 Webster Avenue by the New York City Department of Social Services**

The Department of Social Services informed us about the upcoming Safe Heaven site at 2248 Webster Avenue. The site will be for 50 single adults. The provider who will be providing a number of on-site services and programs will be The Bridge. The services will assist individuals to develop skills towards their independent living. This site will be very similar to the Marmion Avenue site. Individuals will receive three meals a day and a laundry room onsite. There will also be a total of 4-5 staff on site at all times. The site is anticipated to open on Summer 2023. Individuals will be placed in this site through outreach. The agency's goal is for the individuals at this site to be transitioned into permanent supportive housing.
