1. Introduction of Committee Members and Guests
2. Approval of Youth Committee Minutes: April 2023 – Unanimous approval
3. Approval of Aging Committee Minutes: March 2023 – Unanimous approval
4. Chairperson's Report – Yankee award we received two applications that due to timing were sent directly to the Yankees. For the Comeback kid award, we have not received any applications we have pushed the deadline back to June 3rd. This is this the first joint meeting. It was discussed in the last youth meeting that we do these meetings semi regularly over the next year to see how w merged committee would work. In the discussion of the chairs report most were in favor of joint meetings and can see a space where join initiatives would be helpful. Additionally, there was discussion that intergenerational events and initiatives are already happening.
5. Intergenerational Programming

The Y has intergenerational programing, RFS (?), career days, Kingsbridge Heights has some programs that serve all ages, more programs/people that attend, more outreach that can be advocated for.

Action item – reach out to the relevant attendee and follow up regarding current or desired intergenerational programing

6. New Business – None

7. Old Business –

Resource fair – not successful this year. The Youth committee will pick dates in the June meeting and work backward from there.

8. Discussion of Ongoing Joint Meetings – Overall consensus was that it is unclear how successful or how these meetings will work moving forward. Committees agreed to meeting again October 16th to have another meeting. Each committee will commit to keeping intergenerational items on their agenda for September and reaching out to their relevant organizations regarding current or desired intergenerational programs. Lisa Daub suggested that both committees take up Memoria Grove as an intergenerational project for the fall.

There was a motion by L. Chong, seconded by S. Villaverde to adjourn the joint committee meeting. The motion passed unanimously

9. Adjournment – 8:24 PM
