

Date First Requested	DOT Log ID	What	Location	Concern	Brief Description	Status
	Paving					
8/2/2021	DOT-510105-X2L8	Damaged edging	HHPW between 231st and 235th	Damaged metal edging	Damaged metal edging along the border of the asphalt in front of Whitehall on HHPW	A crew has been assigned to this and it should be addressed soon
1/19/2022		Damaged edging	HHPE at Fairfield to Johnson Avenue	Damaged metal edging		A crew has been assigned to this and it should be addressed soon
8/1/2021	311-07155029	Greenway Paving	Empire State Greenway - VCP	Deteriorated asphalt	Poor greenway condition north of Van Cortlandt Park golf house to Mosholu Extension overpass	
8/2/2021		Sinkhole	242nd and Greystone	Sinkhole	Sinkhole on Greystone Avenue at the intersection of Dash Place/242nd	As of March 1, DEP was waiting for Con Ed to complete work in order for them to resume sewer work
7/9/2021	NYCTA	Paving request	255th Street and Palisade	Request for Re-Paving and Removal of Overgrowth	DOT confirmed this is not a mapped street but a sewer easement owned by NYCTA.	5/22 - 255 th Street has not been repaved as yet. It looks to be a bigger undertaking than first thought but it was temporarily patched. NYCTA will keep us posted when I know more about the project. 5/11 the board office sent a letter to adjacent property owner to address overgrowth
Unknown		Paving request	West 246th St bet Independence Avenue and Henry Hudson Parkway	Resident request for paving. Unfinished road	DOT almost patches the whole way every fall and it breaks to smithereens every winter	
10/27/2021		Paving request	Independence Avenue bet 246th and Dodgewood	Privately owned road. Very poor condition.	Poor roadway condition. Wash-outs. Not fully constructed	CM Dinowitz's office has received expedited pothole response. This is a privately owned road so the expectation is that the condition of it would be maintained by the homeowners along the road. DOT will fill in pot holes, however, the deterioration is beginning to move beyond what a pot hole crew can reasonably address.

2/17/2022	DOT-535876-S6P3	Paving request	Edsall Avenue from Palisade Ave to Johnson Ave	Request for Re-Paving	Request for repaving separate from DEP work to address undermining. The road is becoming unpassable for emergency vehicles due to the deterioration of the edges	The Bronx Roadway Repair and Maintenance Division inspected the above mentioned location. You will be pleased to know that Edsall Avenue's upper roadway is scheduled for resurfacing during our FY'24 season, provided there are no conflicts.
2/17/2022	DOT-535878-M7N4	Paving request	Kingbridge Terrace from Kingsbridge Road to West 229th Street	Request for Re-Paving		You will be pleased to know that we have added Kingsbridge Terrace from West Kingsbridge Road to West 229th street to our FY'24 Milling and Resurfacing Schedule; provided there are no conflicts.
2/17/2022	DOT-535880-V3T0	Paving request	Independence Ave from Bradley Terrace to Kappock (east fork)	Request for Re-Paving		It was determined that Independence Avenue from Palisade Avenue to Kappock Street is not vested to the City of New York and therefore, not eligible for resurfacing. However, we can perform general maintenance/fill potholes on the roadway. We will schedule repairs accordingly.
2/17/2022	DOT-535883-M8C2	Paving request	West 230th Street from Broadway to Riverdale Avenue	Request for Re-Paving		You will be pleased to know that we have added West 230th Street from Broadway to Riverdale Avenue to our FY'24 Milling and Resurfacing List; provided there are no conflicts.
5/11/2022	DOT-544399-R5D5	Paving request	Broadway bet 230th and 225th Street	Request for Re-Paving		DOT will inspect the location, and may make necessary repairs to ensure safety. In addition, they will add this location to a future reconstruction project contract.
3/22/2022	DOT-537890-B6P9	Paving request	Johnson/Irwin Ave bet 230th and Kappock	Request for Re-Paving	Horrible condition breaking up completely. Heavy bus traffic. Southbound lane is so bad people cheat by crossing over to northbound lane so as to not bust up their tires and suspension.	You will be pleased to know that Johnson Avenue/Irwin Avenue from West 230th Street to Kappock Street is being scheduled for resurfacing during our FY'23 Milling/Paving Season.

5/11/2022	DOT-543044-W4W6	Paving request	666 Kappock Street bet Independence Ave and Knolls Crescent	Re-quest for Re-Paving and Stormwater Management	Pedestrians either get soaked when it rains or showered with rocks. Cars go into opposing lane to avoid the bumps.	5/19/22 - Community members have requested that re-paving of the roadway, especially at the curblin by prioritized because this is a pedestrian hazard. The patchwork does not last due to underlying drainage issues and heavy bus traffic
4/24/2022	TBD	Paving request	Riverdale Avenue bet city line and West 254th St	Request for Re-Paving particularly at shoulder	Request for repaving in addition to any changes to the roadway as part of the safety plan	
5/7/2022	TBD	Paving request	Intersection of Palisade and Kappock Ave	Request for Crowning to Direct Storm Water to Catch Basins	Residents at 2727 Palisade have concerns the water will not run into the catch basins at this intersection which could lead to flooding in their below grade lobby during hurricanes	
5/16/2022	TBD	Paving request	Sycamore bet West 252nd St and West 254th			
5/16/2022	TBD	Paving request	Independence Ave bet West 261st St and Spaulding Lane			
5/16/2022	TBD	Paving request	Arlington Ave bet West 254th and West 252nd Street		According to zoning map, Arlington Ave appears to be private below West 252nd	
5/16/2022	TBD	Paving request	West 261st bet Riverdale Ave and Palisade Ave			
5/16/2022	TBD	Paving request	West 259th St bet Netherland Ave and Arlington Ave			
5/16/2022	TBD	Paving request	West 254th Street bet Riverdale Ave and Palisade Ave			

4/20/2022	DOT-542702-Y8F4	Speed Hump Request	Kingsbridge Terrace bet Kingsbridge Road & 229th Street	Request for speed bump on Kingsbridge Terrace to reducing speeding	Residents have a SIGNED PETITION with over 200 signatures for SPEED BUMPS on KINGSBRIDGE TERRACE at 2757 KINGSBRIDGE TERRACE, 2780 KINGSBRIDGE TERRACE, and WEST 230th. STREET	DOT response: This study is expected to be completed by 10/20/2023
2/28/2022	DOT-535850-L5N0	Re-Lining	Van Cortlandt Avenue South bet Broadway and Sedgwick	Lines were not restored after paving		The markings for this location will be completed in our Spring 2022 markings season, sooner should weather permit.
TBD	TBD	Paving request	Broadway bet 240th to City Line	Poor condition		New request to Board Office
6/1/2022	TBD	Re-Lining	Broadway bet Broadway Bridge to 230th	No lane lining in either direction		New request from 5/19/22 committee meeting
6/1/2022	TBD	Re-Lining	Broadway bet 230th to 239th	No double line		New request from 5/19/22 committee meeting
