MEETING CALLED TO ORDER 7:40

1. Introduction of Committee Members and Guests
2. Exceptions – **NONE**
3. Approval of Youth Committee Minutes: *November 2023 -unable to approve. Did not have quorum.*
4. Youth Chairperson’s Report:
 - a. Budget Items - Chair Gomez reviewed the budget process, and encouraged committee members to begin to think about budget items as there would be no Youth Committee meeting in January due to the Martin Luther King Jr. Holiday
 - b. Update on Priorities:
 - i. Calendar - Chair Gomez did not receive any calendar items for December. Chair Gomez will continue to accept items but if none are received should we revisit?
 - ii. Intergenerational Business - Definition as items that are part of the community center but maybe don't fall cleanly into youth.

5. New Business: **NO NEW BUSINESS**

6. Old Business:

- a. Any additional priorities - **NONE AT THIS TIME**
- b. Any new ideas on how to support/implement priorities - Emily has pulled together a list of all of the high schools in the district, along with civic/government clubs, and contact people. Emily is proposing that the community board reach out to the city council people as well as the borough president. Followed by creating a handout/presentation on what the community board is and what we do. Committee also needs to keep in mind the timeline of when the application is due. The youth suggested that the committee does outreach events. They brought up the fact that not all clubs/concentrations are available to all students. They suggested that community centers would be a better place for the committee to reach out to.
