A-Gas Main Replacement Work anticipated completion on Feb/March 2026

Location: Post Road Between Faraday Avenue and W.256 Street

Location: Post Road Between Mosholu Ave and Faraday Avenue

B- NYC DDC projects on 254th Street

1. DDC has requested that Con-Edison relocate 25 electrical poles
2. DDC changed the electrical work wiring from being underground- back to above ground electrical poles due to an engineer deemed that underground wiring is not feasible. The project will start in 2027.
3. Where will the poles be located?
4. Why are the poles not going below ground? Numerous studies were done in the Bronx and there is limited space due to underground. The regional engineering from Con-Edison made the decision.

6. **Discussion on Citibike locations - Riverdale**

Questions: When will the new bike location be installed?

7. **FY28 Budget Priorities**
