RESOLUTIONS

**LAW, RULES & ETHICS COMMITTEE
BRONX COMMUNITY BOARD 8
RESOLUTION: BYLAWS AMENDMENT – ARTICLE VI, SECTION 9
MARCH 9, 2026**

WHEREAS, the implementation of term limits for community board members will soon become operational; and

WHEREAS, the Law, Rules & Ethics committee seeks to permit any term-limited Board members who are interested in continuing to offer their expertise and time in the form of Board service as a Community Committee Member to have at least one year of eligibility to serve as a Community Committee Member of all standing committees (but not including the Executive Committee or Budget Committee, where only committee chairs are members), thus retaining their experience and permitting them a year to reapply for appointment to the Board; and

WHEREAS, it would facilitate their service to the Board if such individuals could become Community Committee Members on any standing committees on which they have served within the past five years, without the requirement (based on the longstanding practice of the Board) that they attend three consecutive committee meetings before seeking appointment as Community Committee Members, although such appointment would still require committee chair and Board chair approval.

THEREFORE BE IT RESOLVED, that the Bylaws of Bronx Community Board 8 be amended by adding the following as Article VI, Section 9:

Notwithstanding any contrary provisions contained in subsections 7(2) and 7(3) of this Article VI, any former member of the Board, in the year subsequent to becoming term-limited, may apply to serve as a Community committee member on any standing committee (with the exception of the Executive and Budget committees) of which they had been a member during any of the past five years, subject to the approval of the chairperson of the committee involved and the Board Chairperson, with no requirement that such recently term-limited individual attend three consecutive meetings of the committee involved before applying to be appointed as a Community committee member. The “year subsequent” is understood to extend from the date that such individual’s Appointed Member status terminates as the result of term limits until June 30 of the following year. After such one-year period, any such term-limited former Board member may reapply for appointment to the Board or continue their service as a Community committee member.
