Dear Honorable Borough President,

From a grateful Community Board 8, a sincere thank you for your negative recommendation to the City Planning Commission on the SNAD ULURP item. You heard our issue. You listened. You understood. You supported your Community Board. Thank you.

There is no reason to restate in detail our experience with City Planning ignoring the ULURP process, neglecting Community Board notification, disregarding our Charter-mandated responsibility to review any proposed zoning text or holding community-based public hearings on proposals. Suffice it to say you recognized the disregard of proper procedure, which exists to insure public inclusion and community participation.

Thank you Mr. Borough President from a very grateful community.

Sincerely,

Rosemary Ginty  
Chair
