The Chair called the meeting to order at 7:30 P.M.

The minutes of November 27, 2019 and January 29, 2019 were not approve because of lack of quorum.

Ms. Cintron continues to complain about the site chosen for the Atmosphere Charter School on Marble Hill Avenue in 2015.

The New York Public Library managers present at the meeting gave us an update of the branches many programs they offer the students, teachers and community residents. Our community is very fortunate to have such dedicated and active participants.

The Chair distributed copies of the response from Office of Management and Budget to our budget priorities for FY2010. Letters went out to schools to obtain their budget priorities for FY2021. We look forward to receiving them by March 15, 2019.

We continue to plan for our community event, Women's Suffrage, with the Bronx Historical Society to be held on May 19, 2019 at Wave Hill. More information will follow as plans are completed.

The meeting was adjourned at 9:25.

Respectfully submitted,

Sylvia Alexander, Chair
