Introductions of attendees.

Motion to approve prior minutes – passed

Police Report: down 26 robberies, up 24 assaults, 27 burglaries, 64 grand larcenies, meaning that minimum force was used, with no weapons.

Chairperson's Report: April 19th meeting regarding Gangs and Gang Violence, with speaker from Department of Education School Security and District Attorney. Healing Touch is still open for business, although there were prostitution arrests. Broadway used tires, 6571 Broadway had no certificate of occupancy. Tires are piled at their establishment, creating danger. Chair has asked NYFD for assistance with fire hazard. Establishment has cleared zoning and certificate of occupancy problems, but is not cooperating with safety regulations. The Land Use committee will address these problems.

Liquor Licenses: Unanimous vote to approve Pizza Box, D/B/A Generico's Pizzeria and Cafe beer/wine application and sidewalk café (6 tables) applications.

In Favor: A. G. Feldmeier, A. Creaney, E. Corcino, L. Parker

Old Business: School is cooperating regarding skateboarding in arcade, but still concern for safety/noise. Recommended sending skateboarders to another, more secluded place.

Submitted by,

Arlene G. Feldmeier
Chair, Public Safety Committee
