Discussion regarding a letter from resident concerning the possibility that speed bumps be installed on Palisade Avenue near 230<sup>th</sup> Street and 232<sup>nd</sup> Street. The committee decided it is an enforcement issue involving speeding cars. Speed bumps are undesirable because it slows down emergency responders.

The T & T Committee received a letter from Department of Transportation regarding the traffic controls at the intersection of 227<sup>th</sup> Street and Independence Avenue. Based on all the data collected and taken into consideration all-way stop signs are unwarranted at this time.

Update on the 231<sup>st</sup> subway station upgrade.  
**See attached sheet.**

**T & T Budget Priorities:**

- 1) Reconstruct West 230<sup>th</sup> exit of Major Deegan
- 2) New sidewalk curbs on West 260<sup>th</sup> Street between Riverdale Avenue and Delafield Avenue
- 3) Replace signage on Henry Hudson Parkway to reduce size
- 4) Rehab of step street at West 230<sup>th</sup> between Heath and Kingsbridge Avenue

Respectfully submitted,

James O'Reilly  
Chairman  
Traffic & Transportation  
Committee
